other man were drunk and tak-

put them out of the pool hall

#### A GOOD THING

Germin syrup is the special prescrip-  
tion of Dr. A. Bosclee, a celebrated  
German physician, and is acknowl-  
edged to be one of the most fortun-  
ate discoveries in medicine. It cures  
coughs, colds and all lung  
troubles of the severest nature, re-  
moving as it does, the cause of the  
affection and leaving the parts in a  
strong and healthy condition. It is  
not an experimental medicine, but  
has stood the test of years, giving  
satisfaction in every case, which its  
increasing sale every season confirms.  
Two million bottles sold annually.  
Bosclee's German syrup was intro-  
duced in the United States in 1868,  
and is now sold in every town and  
village in the civilized world. Three  
doses will relieve any ordinary  
cough. For sale by Hadley, the  
leading druggist.

#### Notes From Wright.

(Delayed from last week.)

Cool and pleasant but terrible  
muddy. Poor freighters, they are  
having a hard time. Oh, we do  
need a railroad. The road all in  
lanes and no grass scarcely and the  
mud axle deep in some places, it is  
awful. If the people don't want a  
railroad why don't they grade the  
dirt roads so that they will be pass-  
able.

Mr. Terry moved in near Wright,  
Saturday 16th. His teams were fa-  
tigated pulling through the mud. He  
is from Clay County.

Mr. and Mrs. L. M. Faulkner went  
to Plainview to-day.

Grandpa Cook passed through  
Wright, Monday.

Mr. Denson is through hauling in  
his feed. His rye and oats are looking  
fine.

J. W. Skipworth is gathering up  
cattle. He aims to ship out a lot  
the last of this week. His father, F.  
T. Skipworth has lost several calves  
with blackleg.

Health is good in this part of the  
country.

No deaths, births or marriages.

School is progressing finely and  
the children seem to be learning fast.

It don't make any difference about  
the mud, all are eager to go.

There was no singing Sunday.

Roads were too bad.

Well, Christmas will soon be here.  
Who expects Santa Claus? Who is  
going to have turkey? Thanksgiving-  
day turkeys are plentiful and  
cheap. Some one might kill a turkey  
and invite their neighbors in. We  
think it would be right for every  
body to meet at their respective  
places of worship and have services  
of some kind to thank the Ruler and  
Creator of every good gift, who has  
blessed His people out here on these  
Staked Plains really more than they  
deserve. He has blessed them both  
spiritually and temporally, sent sun-  
shine and rain and we raised fine  
crops in abundance.

Mr. Charlie Dorsey, of Plainview,  
is in Wright at this writing.

Success to The Stayer and cousins.

#### Weekly Stock Train.

NOTICE TO SHIPPERS.

Amarillo, Texas, August 29, 1901.—  
We have arranged to start a Weekly  
Stock Train for Kansas City, begin-  
ning on next Sunday night, Septem-  
ber 1st, 1901. It is expected that this  
train will leave:

Carlsbad	12:30 A. M. Monday
Roswell	4:00 " "
Portales	8:30 " "
Bohena	10:30 " "
Hereford	12:30 P. M. "
Canyon City	2:00 " "
Amarillo	4:00 " "
Washburn	4:30 " "
Panhandle	5:35 " "
Miami	7:35 " "
Canadian	8:35 " "
Higgins	9:50 " "
Gage	10:45 " "
Woodward	11:35 " "

Where it will connect with a train  
on the Atchison line that it is hoped  
will put cattle into Kansas City for  
Wednesday's market, but it must be  
understood that we do not guar-  
antee to make this market, as we  
are liable to be delayed in gathering  
shipments all along the line, as this  
train contemplates, and may have to  
unload for feed and rest, in order to  
comply with the law. We have se-  
lected Wednesday's market for the  
reason that we are assured that the  
market on the following day, Thurs-  
day, is equally good, and our pat-  
rons are therefore protected as far as  
we can protect them against loss on  
account of possible delay as above  
suggested.

We will still continue to handle  
train load shipments, with proper  
notice, on any day of the week as  
suits shipper. This weekly stock  
train is simply intended to take care  
of shipments that would otherwise  
have to be handled by way freight  
trains and necessarily suffer consid-  
erable delay.

Don A. Sweet,  
Traffic Manager.

SPREADS LIKE WILDFIRE.

When things are "the best" they  
become "the best selling." Abraham  
Hare, a leading druggist, of Belleville,  
O., writes: "Electric Bitters are the  
best selling bitters I have handled in  
20 years." You know why? Most dis-  
eases begin in disorder of stomach, liver,  
kidneys, bowels, blood and nerves.  
Electric Bitters tones up the stom-  
ach, regulates liver, kidneys and  
bowels, purifies the blood, strength-  
ens the nerves, hence cures multitudes  
of maladies. It builds up the entire  
system. Puts new life and vigor into  
any weak, sickly, run-down man or  
woman. Price 50¢. Sold by Hadley  
Drug Co.

#### Looking Backward.

#### ASTOUNDING DISCOVERY.

From Coopersville, Mich., comes word  
of a wonderful discovery of a pleasant  
tasting liquid that when used before  
retiring by any one troubled with a  
bad cough always ensures a good  
night's rest. "It will soon cure the  
cough too," writes Mrs. S. Himelbur-  
ger, "for three generations our fam-  
ily have used Dr. King's New Discov-  
ery for Consumption and never found  
it's equal for coughs and colds." It's  
an unrivaled life-saver when used for  
desperate lung diseases. Guaranteed  
bottles 50¢ and \$1.00 at Hadley Drug  
Co's.

Until a suitable place can be  
secured, Christian Science serv-  
ices will be held in the parlor  
of the Stayer office every Sun-  
day morning at 11 o'clock. All  
are invited.

Never try to coax a cold or cough,  
use the remedy that unfailingly con-  
quers, both. BALLARD'S HOREHOUND  
SYRUP is the great specific for all  
throat and lung troubles. Price 25 and  
50¢ at Hadley Drug Company's.
